The casino money can not be in their account at all. Courtney will contact Mary-Ann from AGLC about this.

\* AGLC said we can take the \$20,000 and keep it in the account so long as we have a letter from Anne Frey stating that money is for the playground and the full profits will be spent towards it. We will not have any issues having our next casino in 2025 with having this letter.

\* \$20,000.00 is being held for the playground. So it is sitting at \$19,703.48

- Andrea will look into the T5 as we are not sure why would receive one, as it's about an investment account. The interest on it was \$1,189.33

## **Old News.**

- Options for a May fundraiser are, Cookie Dough/White Frog Coffee/ Chocolate covered coffee beans, Andys Beef Jerky or any others that are brought up at this meeting.
- Do we want to have Inline Skating for 2025 or do we want to change the activity?

\*This was not answered at our last meeting. Yes it is a tradition but with prices going up and the schools focus to be on raising funds for the playground do we change it to to a less cost activity like 2 weeks of hip hop with pound it.

## **New News**

One April 4th Andrea Veale motioned that PAC cover the cost for a clothing order for for PAC members who were wanting a CPB sweater, either ordered with the Dawna P or through another business.

It was seconded by Darci Better and a poll vote was sent in our Message Group the vote was in favor of PAC paying for members hoodies.

Courtney will send Dawna the sizes for the 3 members who wanted one.

- After reviewing the banks statements and going over our spendings for the AGLC we have officially spent all of our Casino money, the money remaining in the account is from our hard work of fundraising.
- Mr.Lynn has mentioned/ asked if we would be okay purchasing some new sports jerseys for them to us for the 24/25 school year he believes it will cost less than \$500.

Time for Questions and Concerns regarding fundraising society.
