The Family Enrichment Centre, along with CP Blakely Elementary School, have created a program to support parent/caregivers.

The goal for Let's Connect is to help you feel less isolated while you engage with other parents/caregivers. We will help build confidence within your role and learn positive parenting skills. We will do this by discussing many topics using bits and pieces from the knowledge and programs we run.

Some of the topics we will be discussing are;

- Screen time
- Self Esteem/self care
- Behavior
- Routine
- Separation Anxiety
